

The 5th Workshop on Cellulose, Regenerated Cellulose and Cellulose Derivatives

November 13-14, 2012
Örnsköldsvik, Sweden

Arranged by Karlstad University and Umeå University

The workshop is sponsored by:

[Domsjö Fabriker](#), Örnsköldsvik, Sweden

[Borregaard](#), Sarpsborg, Norway

[Processum](#), Örnsköldsvik, Sweden

[Bio4Energy](#), Umeå, Sweden

This workshop is a continuation of the previous workshops given at Karlstad University between 2003 and 2009. This time the workshop is hosted by two universities and the venue is Örnsköldsvik in northern Sweden. The intention is that Karlstad and Örnsköldsvik will alternate arranging future workshops.

Aim

To bring together researchers and industry representatives to present and discuss research results and trends in the field of Cellulose, Regenerated Cellulose and Cellulose Derivatives.

Presentation

The conference language will be English.

Papers and posters

Both papers and posters will be presented.

Topics of the sessions

Regenerated cellulose, cellulose derivatives, cellulose structures, analytical aspects, dissolution of fibers, spinning of fibers and dissolving pulp properties/characteristics.

Deadlines for abstracts

Abstracts of one A4 page are welcome to ulf.germgard@kau.se latest May 30, 2012.

Programme committee

PhD Kristina Elg- Christoffersson, Dominnova, Sweden

Professor Ulf Edlund, Umeå University, Sweden

Professor Pedro Fardim, Åbo Akademi University, Finland

Associate professor Tommy Iversen, Innventia, Sweden

Associate professor Monica Ek, KTH, Sweden

Tech Service and Develop Mgr Denis Sens, Tembec, France

Professor Herbert Sixta, Aalto University, Finland

Professor Thomas Rosenau, University of Natural Resources and Life Sciences, Austria

PhD Bjørn Kreutz, Borregaard, Norway

PhD Karla Schenzel, Martin Luther University, Halle-Wittenberg, Germany

Professor Ulf Germgård, Karlstad University, Sweden (chairman)

Information

More information about the program committee, deadlines, abstract templates etc. will be published on this website in November/ December. Please make a notation in your calendar about this event.
