

EPNOE Workshop on Analytics of Polysaccharides

Tuesday, 25 June, 2024

Agenda

- 1:00pm Lectures by device manufacturer on rheology, molecular weight analysis, and compositional analysis
- 2:30pm Coffee break
- 3:00pm Flash Talks
- 4:30pm Lectures by Prof. Dr. Patrick Rühls and Prof. Dr. Jan Vermant on rheology
- 5:40pm Break
- 6:10pm On-site demonstration on rheology
- 7:00pm Social Event

EPNOE Workshop on Analytics of Polysaccharides

Wednesday, 26 June, 2024

Agenda

- 9:00am Two sessions with talks of scientists from industry and academia. Session 1: Rheology and molecular weight analysis. Session 2: Compositional analysis
- 10:20am Break
- 10:50am Continuation of session 1&2 as well as final discussion on future challenges and activities
- 12:10pm Lunch
- 1:00pm Session on the COST application
- 6:10pm On-site demonstration on rheology
- 3:00pm End of the Workshop
